

Greetings:

On behalf of the Delaware Congressional Delegation, we write to invite you to the Delaware Veterans Summit on July 28, 2025, which will take place at the Delaware National Guard Conference Center in New Castle, Delaware. We would like you to participate in the Delaware Veterans Organization Town Hall. This event will be an important opportunity for congressional and administration leaders to discuss with you critical issues facing veterans, including PTSD, suicide prevention, toxic exposure, and homelessness, among others.

We ask that you submit two questions in advance of the event that you would like answered and addressed by VA officials and the delegation (we will do our best to answer as many questions as possible in the time allotted). Your questions should be emailed to DEVeteransSummit@coons.senate.gov by July 14th. In addition to the questions, please indicate your name, organization and if you also intend on attending the Veterans Summit. We are limited in terms of capacity, so please RSVP as soon as possible.

We hope you will join this important event and participate in a constructive dialogue on how we may best support and serve Delaware's veterans. Again, please submit your two questions and your rsvp to DEVeteranssummit@coons.senate.gov by July 14th. Should you have any questions, please reach out to Senator Coons' Wilmington Office at (302) 573-6345.
